DEPARTMENT OF HOMELAND SECURITY

Dear Awardee:

Congratulations on being selected as a 2024 recipient of the FY 2024 Citizenship and Integration Grant Program!

The Department of Homeland Security's Grants and Financial Assistance Division utilizes the GrantSolutions grants management system to manage all financial assistance awards. Please see below for important information regarding account establishment and navigating the system.

GrantSolutions.gov

GrantSolutions is an online Federal grant management system. It provides a venue for the Department of Homeland Security (OPO/GFAD) to work with you, the grantee, to manage your grant. GrantSolutions is a web-based system, therefore you can access information about your grant anywhere you have Internet access. The benefits of this system are:

- Better services to grantees through improved internal coordination of activities;
- Grantees will be better able to manage projects because they will have more access to information held by the Federal government; and
- A more uniform way of processing grants for both grantors and grantees. Please note, that if your organization has grants with other Federal Departments or Agencies that use GrantSolutions, then you may also have access to these grants within your grant portfolio when you login to GrantSolutions.

All grantees will be able to access their grant portfolio, submit continuation applications, submit semi-annual financial status reports, access grant related correspondence, and request amendments through GrantSolutions.

Grantee User Accounts

All users within the GrantSolutions system must have an account established. Please see the following link to access the Grantee User Account form: [Getting Started – Request a User Account - GrantSolutions](#). Accounts should be established for the Program Director, Authorizing Official, and Financial officers at your organization as well as any other users who require access and notifications of award activity. All Grantee User Account forms should be submitted directly to the GrantSolutions Help Desk at help@grantsolutions.gov.

GrantSolutions System Navigation

To help your organization become familiar with the GrantSolutions system, please share the following training link and attached Grantee User Guide with all relevant staff at your organization:

GRANT TERMS AND CONDITIONS
GRANTS AND FINANCIAL ASSISTANCE DIVISION (GFAD)

In addition to the DHS Standard Terms and Conditions as outlined here: [DHS Standard Terms and Conditions](#), the following Terms and Conditions apply specifically to this award as administered by the Grants and Financial Assistance Division (GFAD):

ARTICLE I. FEDERAL ADMINISTRATIVE TERMS AND CONDITIONS

A. AWARD SPECIFIC TERMS AND CONDITIONS AND/OR RESTRICTIONS

-This award does not include any award specific Terms and Conditions.

B. PROGRAM SPECIFIC TERMS AND CONDITIONS

-This award does not include any program specific Terms and Conditions.

ARTICLE II. GENERAL TERMS AND CONDITIONS

A. APPLICABILITY

1. General. The terms and conditions set forth in this document and elsewhere in the Federal Award package will apply to all budget periods for the Federal Award.
2. Post- Award Changes. DHS may revise terms and conditions in this document and other parts of the Federal Award package if it determines that there was an error in the package or otherwise determines that an administrative change must be made to the package. DHS will notify the Recipient in writing of the change and provide an updated Federal Award package document. Once notification occurs, any subsequent drawdown will indicate Recipient acceptance of the changes to the Federal Award.
3. Continuation Awards. If the Federal Award includes more than one budget period, DHS may revise the terms and conditions in this document or elsewhere in the award package when awarding continuation funding and approving an additional budget period. DHS will notify the Recipient of these changes and the Recipient, by applying for continuation award funding, agrees to comply with the revisions, should it receive a continuation award. These revisions would apply only to that budget period and future budget periods and would not apply retroactively to previous budget periods.
4. Applicability of DHS Standard Terms and Conditions to Tribes. The DHS Standard Terms and Conditions are a restatement of general requirements imposed upon recipients and flow down to subrecipients as a matter of law, regulation, or executive order. If the requirement does not apply to Indian tribes or there is a federal law or regulation exempting its application to Indian tribes, then the acceptance by Tribes of, or acquiescence to, DHS Standard Terms and Conditions does not change or alter its inapplicability to an Indian tribe. The execution of grant documents is not intended to change, alter, amend, or impose additional liability or responsibility upon the Tribe where it does not already exist.

3. Property Interest

The Recipient and any subrecipients have no property interest in the funds made available by DHS in the Recipient's PMS account. At any time during or after the period of performance of the Federal Award, DHS may adjust the amounts available in Recipient's PMS account due to amendments to the Federal Award, partial or full terminations, closeouts, or other reasons.

J. INDIRECT COSTS

The SF-428 must include an attached document providing the description of the property, a serial number or other identification number, the source of funding for the property (including the Federal Award Identification Number (FAIN)), who holds title, the acquisition date, and cost of the property, percentage of federal participation in the project costs for the Federal Award under which the property was acquired, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property.

If DHS informs the Recipient that it will exercise this right, then the Recipient—when submitting the final property report in paragraph D.2—will also submit a SF-428-B (Final Report) requesting disposition instructions.
3. If DHS does not exercise the right to direct the Recipient to transfer title to the equipment to the Federal Government or an eligible third party, the Recipient must request disposition instructions from DHS when original or replacement equipment acquired under the Federal award is no longer needed for the original project or program or for other activities currently or previously supported by a Federal awarding agency. The Recipient will submit a disposition request using the SF-428 (Tangible Personal Property Report) and SF-428-C (Disposition Request/Report).

This review does not address all federal, state, and local requirements. Acceptance of federal funding requires the recipient to comply with all federal, state, and local laws.

DHS is required to consider the potential impacts to natural and cultural resources of all projects funded by DHS grant funds, through its EHP review process, as mandated by: the National Environmental Policy Act; National Historic Preservation Act of 1966, as amended; National Flood Insurance Program regulations; and any other applicable laws and executive orders. General guidance for DHS's EHP process is available at [DHS Compliance with the National Environmental Policy Act | Homeland Security](#). Specific applicant guidance on how to submit information for EHP review depends on the individual grant program and applicants should contact their Grants Officer to be put into contact with EHP staff responsible for assisting their specific grant program. The EHP review process must be completed before funds are released to carry out the proposed project; otherwise, DHS may not be able to fund the project due to noncompliance with EHP laws, executive orders, regulations, and policies.

If ground disturbing activities occur during construction, applicant will monitor ground disturbance, and if any potential archaeological resources are discovered the applicant will immediately cease work in that area and notify the pass-through entity, if applicable, and DHS.

2. The Recipient must include the following marking on any article or similar document produced under or as a result of the Federal Award:

S. TERMINATION PROVISIONS

1. General. The regulations at 2 C.F.R. §§ 200.340-343 set forth the administrative requirements concerning the termination of federal awards. Termination means the ending of a federal award, in whole or in part, at any time before the planned end of the period of performance. As required by 2 C.F.R. § 200.340(b), the purpose of this term and condition is to specify termination provisions applicable to the federal award in addition to those set forth in the regulations.
2. Termination by DHS. The regulation at 2 C.F.R. § 200.340(a) provides that DHS may unilaterally terminate the federal award in whole or part if the Recipient fails to comply with the terms and conditions of the federal award and when, to the greatest extent authorized by law, the federal award no longer effectuates the program goals or agency priorities. When terminating a federal award, the DHS will promptly notify the Recipient in writing via email of the termination that will set forth the reasons for the termination and the effective date of the termination. A Recipient may object and provide written information and documentation challenging the termination electronically via email to DHS within 30 days of receiving the termination notice. The termination notice may provide additional procedures for submitting an objection to the termination.
3. Termination with Consent. The regulation at 2 C.F.R. § 200.340(a) provides that DHS may terminate the federal award in whole or in part with the consent of the Recipient. In that case, DHS will work with the Recipient to identify mutually agreed upon termination conditions including the effective date, and, in the case of partial termination, the portion to be terminated. DHS will provide to the Recipient for concurrence a draft termination notice setting forth the agreed upon termination conditions and, following the Recipient’s written concurrence, DHS will issue the final termination notice.
4. Termination by Recipient. The regulation at 2 C.F.R. § 200.340(a) provides that the Recipient may unilaterally terminate the federal award in whole or in part by sending DHS written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if DHS determines in the case of partial termination that the reduced or modified portion of the federal award will not accomplish the purposes for which DHS made the federal award, DHS will provide written notice to the Recipient of the possibility that DHS will terminate the entire federal award and provide the Recipient with the opportunity to withdraw its partial termination request. If the Recipient does not withdraw its request for partial termination within 30 days of receiving the written notice, DHS will initiate procedures to terminate the entire federal award for cause following the procedures in paragraph I.B.2.
5. Costs Incurred After Termination. The regulation at 2 C.F.R. § 200.343 provides that the cost to the Recipient resulting from financial obligations incurred by the Recipient after termination are not allowable unless the federal awarding agency expressly authorizes them in the notice of termination or subsequently authorizes them. This general prohibition does not apply where costs result from financial obligations properly incurred by the Recipient before the termination and are not in anticipation of termination and those costs would otherwise be allowable if the federal award has expired normally at the end of the period of performance. The regulation at 2 C.F.R. § 200.472 sets forth the potentially allowable costs following termination. The allowability of these costs is the same for all types of terminations and do not vary whether DHS unilaterally terminates a federal award, DHS terminates a federal award with consent, or the Recipient unilaterally terminates the federal award. The Recipient should contact DHS in cases where it seeks authorization of costs incurred following the termination of a federal award.

T. MONETARY DAMAGES

Monetary damages are not available to the Recipient in the event of a breach of the grant or cooperative agreement by DHS, such that the United States Court of Federal Claims does not have jurisdiction to render judgment upon any claim against the United States arising under the grant or cooperative agreement under 28 U.S.C. § 1491(a).

U. STANDARD OF REVIEW

The scope of any judicial review for a DHS actions, findings, and conclusions under this cooperative agreement is limited to the standard of review under the Administrative Procedures Act, 5 U.S.C. § 706.
